SEQTA Engage

Q Engage

For parents and caregivers of students in the Junior, Middle & Senior

How do I login to *SEQTA Engage*?

When your child commences at the College, you will receive an email with instructions, login details and access to a User Guide.

What is SEQTA and *SEQTA Engage*? SEQTA is an advanced teaching and learning management system incorporating all aspects of the learning and citizenship of a student's participation in school. The SEQTA platform is constructed of three integrated, web-based portals: *SEQTA Teach*, for teaching staff; *SEQTA Learn*, for students; and, *SEQTA Engage*, for parents and caregivers. *SEQTA Engage* is the parent and caregiver online portal allowing you to be an active participant in your child's learning. *SEQTA Engage* 'opens up the school gates' and invites staff, students, parents and caregivers to work in partnership to achieve the best learning outcomes for your child.

SEQTA Engage allows you to:

Courses & Lessons

Follow the learning outcomes and activities of each subject in your child's timetable.

Track homework tasks given by teachers.

Academic Results

Monitor your child's learning progress as their assessments are marked by teachers.

Access your child's current and past reports.

Communicate

Send and receive direct messages to or from teachers and College staff.

**View** your child's unresolved absences and lateness information.

College Information
